## LIGHTING FIXTURES

Catalog "W"

THE HARRY ALTER CO.

Wholesale Only

Chicago, Ill.

### GENERAL INFORMATION

You will find in HACO Fixtures the three points of importance—Beauty of Design, Richness of Finish and Lasting Quality.

*Pull Chain Sockets* will be substituted for key sockets at an additional cost of 20c per socket.

Fixtures shown are only supplied in the particular finish mentioned. We cannot furnish special finishes.

### WIRING AND FITTINGS

All Fixtures listed in this Catalog are completely wired ready to hang. Electric lamps are not included in the prices shown. All wiring is done with new code marked fixture wire and the exposed wire is silk covered to match the finish. All fittings are of the highest grade.

Fixtures are furnished with means to hang them, such as hickey and stud, straps, wood screws, etc.

*Canopy Switch* for Wall Brackets will be installed at an extra charge of \$1.00, unless it is specified that fixture comes equipped with it.

*Lepolier Link Switch* can be installed on any B. B. or Bronze finished chain fixture for \$1.10 extra.

### DELIVERY AND PACKING

We carry a very large stock and can make *immediate* shipment on all fixtures shown in this catalog. No charge is made for our careful and expert packing and boxing. Our *Safe Delivery* guarantee protects you. We will replace at once, without charge, any merchandise lost, damaged or stolen in transit, if you furnish us with the delivery receipt showing bad order notation of carrier.

MAKE YOUR SELECTION FROM THIS CATALOG—EACH HACO FIXTURE IS BEAUTIFUL IN DESIGN AND LASTING IN QUALITY.

# TOLEDO

Toledo Lighting Fixtures have become a most popular line on account of their pleasing design, superior construction and lasting finish. They are made of cast aluminum of virgin purity. The new suspension device does away with unsightly stem and canopy. Toledo Fixtures give you modern designs and decorations at extremely moderate prices.

## Finish

These fixtures have a very attractive finish and are beautifully decorated in colors. The decorations will be found permanent under all conditions. The finish will not tarnish or rust and has been tested under most severe conditions.

# The "REGAL" LINE

## FLEMISH FINISH

The Flemish Finish used exclusively on the "Regal" line is an old standard finish. Flemish is a shaded brass finish that does not show wear and always looks well. These fixtures are absolutely guaranteed not to rust or tarnish. Key sockets furnished on all shade and ball lamp fixtures (except ceiling). An extremely popular design. "Regal" fixtures are made to give lasting service. The Rosebud shades, very ornamental and delicately colored are specially selected for the "Regal" fixtures with shades.
